A Little Talk About Bicycle Selling.

There is no economy in buying a cheap and poorly made Bicycle and take the consequences of all the risks that are inseparable from its use. To the ordinary mortal the buying of a Bicycle is a serious matter. The use of a common wheel endangers life and limb, besides being a never-ending source of annoyance and expense to keep it in even tolerable repair. Buy only a reliable wheel, manufactured by reliable makers and fully guaranteed. That's the only kind we keep, and we sell them at a moderate advance over the price you'd pay for the common sort elsewhere.

We will place on sale to-morrow 3 of the well-known FALCON WHEELS, made by the celebrated YOST MANUFACTURING CO. of Toledo, Ohio, and fully guaranteed. They are all men's wheels, and are the last of this grade we can ever offer. They are worth more than double the price we are asking for them, which is

only **35.00** each.

A lot of 50 high-grade wheels, made by one of the most celebrated manufacturers of firearms and bicycles in the United States. They are strongly made, finely finished, safe and speedy, and are fully guaranteed, and are worth more than double the price we are offering them for, which is

only **30.00** each.

Mail orders will be filled on receipt of price for above wheels for 3 days only. None sent C. O. D. and no expressage paid.

A complete assortment of Bicycle sundries at the lowest prices.
